**Comments on Examiner's Reasons for Allowance**

S I R :

The Examiner's reasons for allowance are respectfully traversed. The patent statutes provide the grounds on which the U.S. Patent and Trademark Office can withhold a patent. The Examiner's reasons are inapposite to the statutory requirements and certainly do not reflect the Board's reversal of the Examiner's contentions. The true reason for allowance is that the U.S. Patent and Trademark Office has found no statutory basis for withholding a patent.

**Applicant claims small entity status.** The Commissioner is hereby authorized

to charge any fees associated with the above-identified patent application or credit any overcharges to Deposit Account No. 50-0235.
